Very Important! Go to VA Catalog link:

http://vaww.sites.lrn.va.gov/vacatalog/cu_detail.asp?id=28126

Brochure includes detailed instructions for registration, conference call in numbers, Live Meeting links, handouts and continuing education credits.

Description: This presentation will review the history of efforts practiced to slow Parkinson’s disease (PD) progression and discuss potential future options as well as possible study designs to better assess neuroprotection.

Outcome Objectives:

1. Understand failed efforts of neuroprotection and why these approaches fell short
2. Review methodology of assessing neuroprotection
3. Discuss future prospects for neuroprotection in PD

Registration

- Registration occurs using Scantron registration form and Faculty evaluation forms from your facility. **Complete and mail in scantron forms by September 23, 2011.** Detailed instructions found at VA Catalog link http://vaww.sites.lrn.va.gov/vacatalog/cu_detail.asp?id=28126

EES Contact:

- Information on participation may be obtained from **Tammie Wethers**, National Project Manager, Northport Employee Education Resource Center, phone 631-754-7914 ext. 7456 or e-mail to tammie.wethers@va.gov
