

Digital Resources for VA Health Professionals Treating Veterans with Parkinson's Disease

As U.S. Department of Veterans Affairs health professionals, you are key to providing better care for veterans living with Parkinson's disease (PD). The Parkinson's Foundation offers a wide range of online training and education resources. We encourage you to share the following resources with your colleagues, clinics, patients/clients and care partners. To get started, visit [Parkinson.org/Veterans](https://www.parkinson.org/Veterans) and download our [FAQ Guide](#) for veterans with PD and their care partners.

Parkinson's Foundation Resources

Click on the health professional type below to find a list of educational materials, including digital publications and fact sheets, podcast episodes, webinars and more.

- [Speech Pathology](#)
- [Physical Therapy](#)
- [Occupational Therapy](#)
- [Nurses](#)
- [Social Work](#)
- [Exercise Professionals](#)

Helpline: Our Parkinson's information specialists can answer Parkinson's questions from health professionals, people with PD and family members. Call 1-800-4PD-INFO (473-4636) or email Helpline@Parkinson.org

Publications: Our well-respected educational book series focuses on critical PD issues, ranging from introductory information to in-depth material. Download a digital copy of any publication at [Parkinson.org/Library](https://www.parkinson.org/Library) or order a free copy at [Parkinson.org/Store](https://www.parkinson.org/Store). All Foundation books are also available on [Kindle](#).

Team Training: Our entirely online course is designed to increase knowledge about Parkinson's disease and build capacity for comprehensive, interprofessional care in the treatment of PD. Contact Denise Beran at dberan@parkinson.org for special VA facility pricing.

Virtual Learning Opportunities

Webinars: Sign up for the [Expert Briefing series](#) to learn more about PD symptoms, progression, treatments and management. Participate live or watch an archived webinar. Topics include *Exploring Motor Symptoms*, *Vision Changes*, *Mental Health and PD*, *Medication and PD*, and more!

Online Courses: Physical Therapists, Nurses, Nurse Practitioners, Physicians, Physician Assistants, and Social Workers can earn CEU/CME credits through various Parkinson's Foundation [online expert training courses](#).

Podcasts: Hear directly from Parkinson's experts in our podcast series, *Substantial Matters: Life and Science of Parkinson's*. Learn about treatments and techniques, as well as the latest in research. Visit [Parkinson.org/Podcast](https://www.parkinson.org/Podcast). For episodes in Spanish, visit [Parkinson.org/Español](https://www.parkinson.org/Español).
