How do I get an appointment at PADRECC Clinic? PADRECC is a specialty clinic in the Neurology Dept.

- You must be a Veteran who is enrolled in the VA Health Care System.
- Once enrolled, ask your primary care doctor for a referral/consult to the PADRECC Clinic.
- Not yet enrolled in VA Health Care? All Veterans are encouraged to apply for VA health care and determine if you meet eligibility requirements (based on service connection disability and income).
 1. Go to www.vets.gov and apply for VA health care, or
 2. Call Veterans Health Benefits Service Center **1-877-222-VETS (8387)**, or
 3. Call **(804) 675-6660** Eligibility/Health Benefits Enrollment Office at McGuire VAMC.

Note: You will be assigned a priority group. If you are assigned priority group 8 and have severely disabling disease, please request a "Catastrophic Disability Evaluation".

Research Opportunities: Some PADRECC research and clinical trials sometimes recruit non-veterans or non-enrolled Veterans, in addition to enrolled Veterans. Contact George Gitchel, PhD, Research Health Science Specialist at (804) 675-6300 to learn about current research.

Education & Support Group: The PADRECC group usually meets the 4th Thursday of the month at McGuire VAMC in Richmond. This meeting is open to the public. Contact: Lynn Klanchar at (804) 675-6952 for more information or refer to the website www.parkinsons.va.gov/Richmond to obtain a current schedule.
